

MY OSCAR ALBUM  
**ZOE  
SALDANA**

**TAILOR-MADE!**

"My stylist knows me so well, the moment she saw this dress, we were both speechless," said the actress, who was sewn into her Givenchy by Riccardo Tisci gown.

**QUIET TIME**

"It felt normal!" Saldana said of her pre-Oscars routine. "I slept for seven hours, joked around and left on time."

**OFF WE GO!**

After they arrived in a limo, Saldana gave boyfriend Keith Britton a special dress-related task. "He's on train patrol," she said.
